The City and Seven Oaks School Division executed the Lease Agreement under date of March 10, 1989.

Since August 1, 1988, the Seven Oaks School Division completed the development of a parking lot and has been utilizing the subject City property for school purposes.

By e-mail dated January 25, 2005, the City's Insurance and Risk Manager advised the Department of the need to revise the Insurance requirements within the lease agreement in response to a departmental circularization.

The Planning, Property and Development Department circulated the subject lease agreement to the Public Works and Community Services Department(s) and the Planning and Land Use Division for review and comments.

DISCUSSION:

1. Background and Proposed Amendments:

Constable Edward Finney School is located adjacent to Andrew Mynarski Park as shown on the attached Misc. Plan 6698/3. In 1988, the Seven Oaks School Division entered into a lease agreement with the City for the use of a portion of the park to develop a parking lot.

Upon a request from the Manager of the Risk and Insurance, the Department reviewed this lease agreement and identified various issues as follows:

a) Lease Agreement Status:

The City and Seven Oaks School Division executed the original lease agreement dated August 1, 1989.

Since August 1, 1988, the Seven Oaks School Division has occupied the subject site. The lease agreement has a term of 25 years and the Tenant is in good standing.

References to insurance requirements and coverage contained in the lease agreement require updating. In addition, the Department will also seek to update other references within the Agreement.

b) Insurance:

The City's Risk and Insurance Branch reviewed this matter and provided advice as follows:

> "Please note that insurance from MAST - Manitoba Association of School Trustees - is on file covering off these leases. The insurance is currently in good standing, not expiring until July 01, 2005.
>
> To further safeguard the City, the Lessee shall purchase and keep in force during the full term hereof, a comprehensive general liability policy including, but not limited to the following provisions:
>
> (1) Commercial general liability insurance, in the amount of at least five million dollars ($5,000,000.00) all inclusive, with The City of Winnipeg being added as an additional insured, with a cross-liability clause, such liability policy to also contain contractual liability, to remain in place at all times during the full term hereof;
>
> (2) Lessee shall not cancel, materially change, or cause any such policy or policies to lapse without a minimum fifteen (15) days prior written notice to the City of Winnipeg;
>
> AND deductibles shall be borne by the Lessee;
>
> AND the Lessee shall file with the City a Certificate of Insurance in a form satisfactory to the City Solicitor;
>
> AND the City shall have the right to alter the limits and/or coverages as reasonably required from time to time during the continuance of this agreement."
>
> The Department proposes to amend Clause 2(k) accordingly to reflect the updated insurance requirements.

c) Proposed Administrative Amendments:

The original lease terms included various administrative contacts within the Lease Agreement. The Department is proposing the following amendments:

i) All references to the City's General Manager of Parks and Recreation and General Manager shall be changed to the Director of Public Works;

ii) All references to the Department of Environmental Planning shall be changed to the Planning, Property and Development Department;

iii) All references to the Streets and Transportation Department shall be changed to the Public Works Department;

iv) All references to Mandalay West Park shall be changed to Andrew Mynarski Park; and,

v) The Notice Provision in Clause (7) shall be updated to include the current address of the Seven Oaks School Division – Secretary Treasurer.

Being as the School Division still requires the use of the subject City-owned property and that same is not required for parks and recreation use, the Administration is recommending approval of the subject terms of lease.

Financial Impact Statement Date: March 14, 2005

COMMENTS:

There is no financial impact associated with the subject proposal.
