(2) In sending notices to businesses as required under this section or Section 10, the City Clerk shall use such business names and addresses as provided in the most recent list of businesses in the Zone as provided by the City Assessor.

NOMINATION

9. (1) Each person who wishes to be appointed as a Zone Board member must deliver to the City Clerk, on or before the date and time set under Section 8, a nomination paper, in accordance with Schedule "B" to this By-law, signed by at least ten (10) persons who are from ten (10) different businesses in the Zone, with the acceptance of such nomination signed by the nominee.

(2) With the nomination paper submitted to the City Clerk, the nominee may submit a biography not exceeding twenty-five (25) words.

(3) No more than one (1) person from each business may be nominated to the Board.

(4) If the number of persons nominated is eight (8) or less, then those nominated shall be considered to be selected by acclamation and the names of those persons selected by acclamation shall be forwarded to Council for appointment. Council shall appoint persons to the remaining positions on the Board, but in all instances those persons shall come from businesses in the Zone.

SELECTION PROCESS

10. (1) If more than eight (8) persons are nominated, the City Clerk shall prepare a ballot paper containing the names of all nominees.

(2) The City Clerk shall mail a ballot paper to each business in the Zone at least fifteen (15) days prior to the voting day. The ballot paper shall contain the names of the candidates in alphabetical order. A sheet shall accompany the ballot paper with such biographical information as may be provided about the nominee and explaining the method of voting. Each business shall be eligible to cast a vote. The ballot paper shall be marked with the letter "X" in the square opposite the name of the nominees for whom he wishes to vote; no more than six (6) names shall be so marked. A ballot paper marked otherwise shall not be counted. The business, after marking the ballot paper, may mail or deliver it to the City Clerk at any time, but only those received by the Clerk not later than 4:30 p.m. on the voting day shall be counted. The City Clerk shall place immediately all marked ballot papers which he receives in a locked container. At 9:30 a.m. on the day next following the voting day the City Clerk shall proceed to count the properly marked ballots which have been cast.

(3) The City Clerk shall then rank the nominees in descending order from the nominee with the largest number of votes to the nominee with the least number of votes.

(4) The eight (8) nominees with the largest number of votes shall be declared the selection of the businesses in the Zone and shall be forwarded on to Council for appointment to the Board.

(5) The four (4) nominees with the highest number of votes shall hold office for the term provided in Section 7(c)(ii). The four (4) nominees with the second highest number of votes shall hold office for the term provided in Section 7(c)(i).

(6) In case of a tie for the last position of either category, the names of the nominees with the tied votes shall be submitted to City Council and City Council shall by vote place the nominees in the category of term, depending on the number of votes cast, those with the highest number of votes being placed in the longest term of office. If the tie vote is for the last position of the eight (8) positions available, the names of the nominees with a tie vote shall be placed before Council for a deciding vote and that nominee or those nominees with the highest number of votes shall be placed on the Board.

(7) The City Clerk shall handle the selection process in accordance with the provisions of this Section and use such other procedures as will assist in the effective operation of the selection process. The City Clerk's certification as to the tabulation of ballots and the placement of the nominees in their respective category shall be final and not subject to appeal, except in the case of a tie vote, in which case the provisions of Section 10(6) shall apply.

STANDARD APPOINTMENTS AND TERMS OF OFFICE

11. (1) The standard term of office of a Zone Board member shall be a term of two (2) years. When the initial term of office of those persons appointed to the term provided in Section 7(c) expires, additional Zone Board members shall be selected as provided hereafter.

(2) The selection of the nominees required annually for submission to Council for appointment to the Board shall be carried out by the Board under the direction of the Chairman of the Board, in accordance with the procedures provided in this section.

(3) Each person who wishes to be appointed as a Zone Board member must be from a business in the Zone and must provide the Secretary of the Board, prior to the General Budget meeting with a Nomination paper, in accordance with Schedule "B" to this By-law, signed by at least ten (10) persons who are from ten (10) different businesses in the Zone.

(4) The Secretary shall prepare a ballot paper, containing the names of all nominees.

(5) The ballot paper shall be distributed to one (1) person from each of the businesses represented at the General Budget meeting. Each voter shall indicate his or her preference by marking the ballot in favour of the appropriate number of nominees for that selection and no more. Any ballots marked with more than the number of nominees required shall be considered null and void.

(6) The Secretary shall then collect the ballots and tabulate them.

(7) The nominees with the largest number of votes shall be declared the selection of the meeting and shall be forwarded on to Council through the usual procedures of the City for appointment to the Board at the next meeting of Council.

(8) In case of a tie for the last position of any category, the names of the nominees with the tied votes shall be submitted back to the meeting for a further ballot and the person or persons whose name is or are submitted back for selection with the largest number of votes shall be considered the selection of the meeting.

(9) The chairman of the Board, or his designate, shall handle the selection process in accordance with the provisions of this Section and use such other procedures as will assist in the effective operation of the selection process. The certification of the chairman of the Board, or his designate, as to the tabulation of the ballots and the placement of the nominees in their respective categories shall be final and not subject to appeal.

(10) If at a general budget meeting not sufficient persons are selected for the number of positions available for the Board, the Council shall be so advised and Council shall appoint persons to the Board from a list furnished to it by the Board, in which case the person or persons so appointed shall be from businesses in the Zone. In the absence of such a list, Council may appoint persons to the Board whomsoever it wishes, provided however, that such persons shall be from businesses in the Zone.

(11) No person shall be eligible for appointment to more than three (3) consecutive terms.

(3) Special meetings may be called by the chairman, with the approval of two members of the Board.

(4) If the chairman is absent or refuses to call a special meeting when requested by any member of the Board, the secretary to the Board shall call a special meeting when requested to do so in writing by any three (3) members of the Board.

(5) No special meeting shall be called unless twenty-four (24) hours' notice is received, in writing, to all members of the Board, or by unanimous consent provided all members of the Board are present.

(6) The members of the Board may consider or transact any business at any meeting provided it is within the powers established for the Board.

(7) A simple majority of the members of the Board shall form a quorum.

(8) The Board shall establish such rules as are necessary to govern the conduct of the Board meetings, and meetings of committees appointed by the Board, provided such rules are not inconsistent with powers herein conferred.

(9) Minutes shall be kept of all Board meetings (regular and special) and Board committee meetings.

Such committees shall deal only with the matters or questions referred to it for consideration and where appropriate, upon completion of the assignment, shall be dissolved.

(3) The chairman and all members present may vote on every question before the Board, and in the event of an equal division, the question shall be disposed of in the negative.

(5) Where a member ceases to be a member of the Board before expiration of the designated term, Council may appoint another eligible person for the unexpired portion of the term following receipt of a nomination from the Board.

(6) A member ceases to be a member of the Board who:
