Parking Meters on Lombard Avenue between Westbrook Street and Mill Street
File ST-2 (Vol. 22)

3. The Standing Policy Committee on Public Works has been advised that Barbara Lapoint, Property Manager, M.P.N. Holdings Ltd., 93 Lombard Avenue and a group of petitioners submitted a majority petition in favour of changing the one-hour metered parking to two-hour metered parking on both sides of Lombard Avenue between Westbrook Street and Mill Street.

On December 4, 2001, City Centre Community Committee, concurred in the recommendation that both sides of Lombard Avenue between Westbrook and Mill Streets be changed from one-hour metered parking to two-hour metered parking.

The standard policy for altering limited time parking or parking meters is for the applicant to secure a majority-supporting petition of the residents/businesses directly affected in the block. If parking is permitted on both sides, a petition is required only from that side of the street, which is to be changed. The petition submitted represents 100%, 3 out of 3 properties on both sides of the street, in favour of changing the one-hour metered parking on both sides of Lombard Avenue between Westbrook Street and Mill Street.

Council approval is required in order to make the necessary By-law amendments.

The financial impact statement is outlined on Appendix "A".

The Standing Policy Committee on Public Works recommends:

I. That the one-hour parking meters on the north side of Lombard Avenue between Mill Street and Westbrook Street be replaced with two-hour parking meters.

II. That the one-hour parking meters on the south side of Lombard Avenue between Westbrook Street and Mill Street be replaced with two-hour parking meters.

III. That Schedule "A" of The City of Winnipeg Parking Meter By-law 6547/95 be amended by deleting the following:

North side of Lombard Avenue between Mill Street and Main Street

South side of Lombard Avenue between Rorie Street and Mill Street

and by adding the following:

North side of Lombard Avenue between Westbrook Street and Main Street

South side of Lombard Avenue between Rorie Street and Westbrook Street

IV. That Schedule "B" of The City of Winnipeg Parking Meter By-law 6547/95 be amended by adding the following:

North side of Lombard Avenue between Mill Street and Westbrook Street

South side of Lombard Avenue between Westbrook Street and Mill Street

V. That the City Solicitor/Manager of Legal Services be instructed to prepare the necessary amending by-law in accordance with the foregoing for submission directly to Council for approval.

VI. That the Proper Officers of the City be authorized to do all things necessary to implement the foregoing, including the execution of any documents related thereto.

Appendix "A" referred to in Clause 3 of the Report of the Standing Policy Committee on Public Works dated February 5, 2002

Additional Comments:

The costs associated with this project are strictly labour. All material costs are ignored since the parking meter heads being used are second hand. The meters were purchased for a previous project and have since been removed. Their costs are negligible.
