STANDING POLICY COMMITTEE ON

PROTECTION AND COMMUNITY SERVICES

QUESTION PERIOD

Minute No. 653
Councillor Wyatt cited the issue of banning snowmobiling inside the City of Winnipeg and requested the status of the matter; to which Councillor Havixbeck replied she would take the question under advisement.

Councillor Smith noted that at the last Standing Committee meeting, Councillor Havixbeck made a commitment to take him out to look at the goose problem and questioned when the Councillor's schedule would allow for that.

Councillor Havixbeck advised she would set something up before the geese fly south.
