RECOMMENDATION

1. That the east leg of Shady Shores Drive West be renamed “Sea Side Drive”.

2. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

Council authority is required to rename streets.

IMPLICATIONS OF THE RECOMMENDATIONS

A confusing street naming pattern will be corrected in the Waterside Estates subdivision located south of Dugald Road and west of Plessis Road.

HISTORY

Shady Shores Drive West is a street in the Waterside Estates subdivision. The land is currently unserviced prairie. Roadways have not been constructed and there are no homes under construction yet in the neighbourhood.

Discussion:

Three plans of subdivision complete with street names were registered independently over a 2 year period. When all of the streets were compiled onto one plan, it became apparent that there were two parallel legs of street both named Shady Shores Drive West. See Appendix "A". This is confusing for future residents and emergency services. It is recommended that the easterly leg of Shady Shores Drive West be renamed to rectify this situation. The Developer has requested the name "Sea Side Drive" for the proposed renaming.

We have done a sound alikes check and can confirm that the proposed name does not conflict with any other street name presently reserved or in existence.
