RECOMMENDATIONS

1. That the portion of City-owned property at 176 Worthington Avenue, shown outlined as "Subject City Property Area" on Misc. Plan No. 12800/2, be declared surplus to the needs of the City.

2. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

On December 19, 2007, Council approved funding for a $140,000.00 loan from the Community Centre Investment Fund to be advanced to the Norberry-Glenlee Community Centre Expansion Project. Those funds were to be repaid upon the sale of Glenlee Community Centre main clubhouse.

Council approval is required to declare the Subject City Property at the Glenlee Community Centre surplus to the City's needs.

IMPLICATIONS OF THE RECOMMENDATIONS

- The Planning, Property and Development Department intends to market the 'Subject City Property' shown outlined on Misc. Plan No. 12800/2 to the general public.

- In accordance with the Council decision of December 19, 2007, $140,000.00 from the proceeds of the sale of the Glenlee Community Centre will be used to repay the loan from the Community Center Investment Fund.

- There are no regulatory or human resources implications associated with this report.

- The City's standard terms and conditions of sale will include provisions: (1) to protect the City's interests in the event that environmental contamination is discovered and (2) the purchaser will be required to pay for any rink fencing alterations deemed necessary to protect the City's interests.

HISTORY

In 2005, the Glenlee and Norberry Community Centres entered into amalgamation discussions to address facility, programming and volunteerism concerns.

In 2006, the Boards officially amalgamated under the new name, Norberry-Glenlee Community Centre, and received funding for an upgraded facility at the Norberry site. Increased costs for the project led to a shortfall from the approved funding.

On December 19, 2007, Council approved that the shortfall in funding was to be made up by a series of loans, one of which was a $140,000.00 loan from the Community Centre Investment Fund, to be repaid upon the sale of Glenlee Community Centre main clubhouse. Upon completion of the expanded centre at Norberry, the main clubhouse would be declared surplus.

The Winnipeg Public Service has consulted with Community Services, the GCWCC and the Norberry-Glenlee Community Centre to confirm the area of the land to be sold with the main clubhouse. All parties have agreed that the land to be sold, together with the main clubhouse, is that shown as "Subject City Property Area" and outlined on Misc. Plan No. 12800/2.
