Re: Proposed subdivision of land located on the north side of McIvor Avenue, east of Ranch Road – DAS 28/00

At its meeting held on April 25, 2001, Council approved DAS 28/00 being an application to subdivide land located on the north side of McIvor Avenue, east of Ranch Road subject to a number of conditions including:

"That in the event this application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of this report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless Council extends that time."

To date the by-law has not been enacted and the 24 month time limit expires on April 25, 2003.

The land covered by DAS 28/00 was under option by Sanderson & Associates Inc. who made the application to subdivide the land. The easterly portion of DAS 28/00 comprising approximately 2.9 acres is owned by Stephanie Shkrumeda while the westerly portion comprising approximately 0.67 acres is owned by Robert Shmigelsky. Sanderson & Associates' options have lapsed and the land has now been conditionally sold to two new parties…the easterly portion to Arlt Homes Ltd. and the westerly portion to Mr. Henry Pauls. Although the two new parties have not agreed to develop the subject land as a joint venture, it is feasible to develop the land in accordance with the plan approved under DAS 28/00. This can be accomplished by:

1. The City enacting a subdivision by-law covering the easterly portion of the land,
2. Arlt Homes registering the plan of subdivision and servicing the easterly portion of the land, and
3. Henry Pauls later paying his share of the cost of the services installed by Arlt Homes as determined by the City. (Henry Pauls would be able to proceed with a short-form subdivision (DASSF) as no new street rights-of-way are required.)

Attached is a copy of Schedule "B" of Council's approval of DAS 28/00 which shows the approved plan of subdivision and also shows the ownership of the land.

It is therefore recommended that:

1. The time limit for the enactment of the subdivision by-law for DAS 28/00 approved by Council April 25, 2001 be extended to April 25, 2004.

2. a) Registration of the plan approved by Council may be effectuated in two phases. Phase I would be registered pursuant to the enactment of a subdivision by-law covering the most easterly 2.9 acres and Phase II pursuant to a short-form subdivision (DASSF) covering the most easterly 0.65 acres.
   b) In the event the plan of subdivision approved under DAS 28/00 is registered in two phases, the following conditions be added to the Administrative Coordinating Group's report dated February 13, 2001 which report forms the basis of the Development Agreement referred to in Recommendation I.A. of Council's approval of DAS 28/00 on April 25, 2001:

a) All portions of the lots proposed on the Shmigelsky land that lie within the Shkrumeda land be transferred to the City for $1.00 for subsequent transfer to the developer of the Shmigelsky land;
b) No building permit be issued for proposed Lot 9 until the triangular parcel from the Shmigelsky land is available. (The City would obtain ownership of this triangular parcel for $1.00 when the Shmigelsky land is developed and transferred to the developer of the Shkrumeda land.)
c) The City shall collect the cost of services installed within the new cul-de-sac from the developer of the Shmigelsky land.
