REASON FOR THE REPORT:
Council has authority to appoint members to the Winnipeg Building Commission for a three-year term in accordance with the Winnipeg Building By-law. The terms of office of the present members of the Commission expired on July 16, 2002.

HISTORY:

The main function of the Commission has been to provide guidance to the City in the application of the Residential Buildings Fire Safety By-law, including acting as the first level of appeal of a decision by the Development and Inspections Division.

Membership of the Commission consists of nine (9) members who are qualified to consider matters pertaining to building design and construction. Subsection 18.2 of the Winnipeg Building By-law requires that:

"18.2.1 (2) The following members, shall have at least ten years' experience in his occupation and shall be in active practice during the terms of his appointment:

(a) two (2) practicing members of the Association of Professional Engineers of Manitoba of which one (2) shall be a Civil or Structural Engineer and the other a Mechanical Engineer;
(b) two (2) practicing members of the Manitoba Association of Architects;
(c) one (1) active member of the Winnipeg Construction Association;
(d) one (1) active member of the Manitoba Home Builders' Association;
(e) one (1) senior Fire Officer of the City of Winnipeg Fire Department;
(f) one (1) member of an organization which represents owners or operators of multiple-family buildings, and
(g) one (1) member at large"

DISCUSSION:
The various organizations referred to in Subsection 18.2 of the By-law were asked to recommend members to represent their organization in serving on the Winnipeg Building Commission. In most cases the current member of the Commission was recommended for reappointment.

It is therefore recommended that the following members be appointed to serve on the Winnipeg Building Commission:

1) Mr. David E. Cross, The Association of Professional Engineers of Manitoba
2) Mr. Easton Lexier, The Association of Professional Engineers of Manitoba
3) Mr. Jim S. Hicks, "member at large"
4) _____, The Manitoba Home Builders' Association
5) Mr. Stan Rhoda, The Manitoba Association of Architects
6) Mr. Jim Wagner, The Manitoba Association of Architects
7) Mr. Louis Rosenberg, The Manitoba Property Managers' Association
8) Mr. Peter Kloos, Winnipeg Fire Paramedic Service
9) Mr. Ernie Keller, Winnipeg Construction Association

One active member from the Manitoba Home Builders' Association had not been identified at the time of submission of this report. The name of the individual recommended by the Association will be available for the meeting of City Council scheduled for March 26, 2003.
