Agenda – Council – October 24, 2012

Report – Standing Policy Committee on Infrastructure Renewal and Public Works – October 2, 2012

Item No. 1 Dutch Elm Disease Strategy

STANDING COMMITTEE RECOMMENDATION

On October 10, 2012, the Executive Policy Committee concurred in the recommendation of the Standing Policy Committee on Infrastructure Renewal and Public Works, and submits the following to Council:

1. That an extension of time of 30 days be granted to allow the Winnipeg Public Service to report back to the Standing Policy Committee on Infrastructure Renewal and Public Works on the Council Motion of March 20, 2012.

2. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

Report – Standing Policy Committee on Infrastructure Renewal and Public Works – October 2, 2012

DECISION MAKING HISTORY:

EXECUTIVE POLICY COMMITTEE RECOMMENDATION:

On October 10, 2012, the Executive Policy Committee concurred in the recommendation of the Standing Policy Committee on Infrastructure Renewal and Public Works, and submitted the matter to Council.

STANDING COMMITTEE RECOMMENDATION:

On October 2, 2012, the Standing Policy Committee on Infrastructure Renewal and Public Works recommended that an extension of time of 30 days be granted to allow the Winnipeg Public Service to report back to the Standing Policy Committee on Infrastructure Renewal and Public Works on the Council Motion of March 20, 2012, and submitted the matter to the Executive Policy Committee and Council.

COUNCIL DECISION:

On March 20, 2012, Council directed the Winnipeg Public Service to report back to Standing Committee on Infrastructure Renewal and Public Works in 180 days with a comprehensive strategy, outlining potential options and their associated costs to enhance protection of our urban forest from Dutch Elm Disease.
