

**THE CITY OF WINNIPEG**

**BY-LAW NO. 142/2011**

A By-law of THE CITY OF WINNIPEG to amend the  
Sewer By-law

**THE CITY OF WINNIPEG**, in Council assembled, enacts as follows:

**Sewer By-law amended**

**1** The Sewer By-law No. 92/2010 is amended by this By-law.

**Schedule A amended**

**2** Schedule A is amended by adding “*upon request*” before the semicolon at the end of subclause 4(g)(ii).

**Schedule B amended**

**3** Schedule B is amended by

- (a) replacing “0.5” with “0.7” in the column headed “Limit (mg/L)” as the value for the parameter “*Cadmium (total)*”;
- (b) replacing “2.0” with “1.0” in the column headed “Limit (mg/L)” as the value for the parameter “*Lead (total)*”;
- (c) replacing “3.0” with “2.0” in the column headed “Limit (mg/L)” as the value for the parameter “*Nickel (total)*”;
- (d) replacing “5.0” with “1.0” in the column headed “Limit (mg/L)” as the value for the parameter “*Sulphide*”;
- (e) replacing “0.016” with “0.024” in the column headed “Limit (mg/L)” as the value for the parameter “*Toluene*”.

**Schedule E amended**

**4** Schedule E is amended by

- (a) removing the following from the existing table set out in Schedule E:

|                                                              |        |
|--------------------------------------------------------------|--------|
| <i>Fabricated structural metal manufacturing</i>             | 332312 |
| <i>Sheet metal work manufacturing</i>                        | 332322 |
| <i>Ornamental and architectural metal work manufacturing</i> | 332323 |

- (b) adding the following table after the existing table set out in Schedule E:

***Pollution Prevention Plan Tier 1 (b)***

***Effective Date***

***January 2013***

| <b><i>Metal Processing Companies</i></b>                                 | <b><i>NAICS Code *</i></b> |
|--------------------------------------------------------------------------|----------------------------|
| <i>Iron and Steel Mills and Ferro-Alloy Manufacturing</i>                | <i>331110</i>              |
| <i>Iron and Steel Pipes and Tubes Manufacturing from Purchased Steel</i> | <i>331210</i>              |
| <i>Non-Ferrous Metal (except Aluminum) Smelting and Refining</i>         | <i>331410</i>              |
| <i>Iron Foundries</i>                                                    | <i>331511</i>              |
| <i>Non-Ferrous Die-Casting Foundries</i>                                 | <i>331523</i>              |
| <i>Non-Ferrous Foundries (except Die-casting)</i>                        | <i>331529</i>              |
| <i>Forging</i>                                                           | <i>332113</i>              |
| <i>Stamping</i>                                                          | <i>332118</i>              |
| <i>Cutlery and Hand Tool Manufacturing</i>                               | <i>332210</i>              |
| <i>Concrete Reinforcing Bar Manufacturing</i>                            | <i>332314</i>              |
| <i>Other Plate Work and Fabricated structural metal manufacturing</i>    | <i>332319</i>              |
| <i>Metal Window and Door Manufacturing</i>                               | <i>332321</i>              |
| <i>Power Boiler and Heat Exchange Manufacturing</i>                      | <i>332410</i>              |
| <i>Metal Tank (Heavy Gauge) Manufacturing</i>                            | <i>332420</i>              |

|                                                                                                |               |
|------------------------------------------------------------------------------------------------|---------------|
| <i>Metal Can Manufacturing</i>                                                                 | <i>332431</i> |
| <i>Other Metal Container Manufacturing</i>                                                     | <i>332439</i> |
| <i>Cold-Rolled Steel Shape Manufacturing</i>                                                   | <i>331211</i> |
| <i>Steel Wire Drawing</i>                                                                      | <i>331222</i> |
| <i>Aluminum Rolling, Drawing, Extruding and Alloying</i>                                       | <i>331317</i> |
| <i>Copper Rolling, Drawing, Extruding and Alloying</i>                                         | <i>331420</i> |
| <i>Non-Ferrous Metal (except Copper and Aluminum) Rolling, Drawing, Extruding and Alloying</i> | <i>331490</i> |
| <i>Hardware Manufacturing</i>                                                                  | <i>332510</i> |
| <i>Spring (Heavy Gauge) Manufacturing</i>                                                      | <i>332611</i> |
| <i>Other Fabricated Wire Product Manufacturing</i>                                             | <i>332619</i> |
| <i>Machine Shops</i>                                                                           | <i>332710</i> |
| <i>Turned Product and Screw, Nut and Bolt Manufacturing</i>                                    | <i>332720</i> |
| <i>Ball and Roller Bearing Manufacturing</i>                                                   | <i>332991</i> |

**DONE AND PASSED**, this 16<sup>th</sup> day of November, 2011.
