STANDING POLICY COMMITTEE ON

INFRASTRUCTURE RENEWAL AND PUBLIC WORKS

QUESTION PERIOD

Minute No. 108
Councillor Eadie inquired why a decision was made to not sand residential P3 sidewalks that were very icy and in bad condition a couple of weeks ago. Councillor Vandal agreed to take the question under advisement and ask the Director of Public Works to report back.

Councillor Swandel noted that it was not within the snow clearing policy to sand back lanes but questioned if the Public Works Department could be asked to look at doing spot sanding in dangerous situations within the current budget. Councillor Vandal stated that dangerous situations would not be tolerated and agreed to talk to the Director of Public Works and report back.

Councillor Smith asked why the sidewalk in front of his house had not been sanded; to which Councillor Vandal agreed to take the question under advisement.
