REASON FOR THE REPORT

For the McGillivray Boulevard Street Widening Project, Council approval is required for the settlement of expropriation claims exceeding $750,000.00.

IMPLICATIONS OF THE RECOMMENDATIONS

- There are no regulatory, environmental or human resource implications associated with this report.

- The Public Works Department has confirmed that, subject to approval of Recommendation # 3, sufficient funding is available in the Public Works Expropriation Account.

- The proposed Encroachment License Agreement will formalize the terms and conditions for the use of the City's right-of-way.

HISTORY

On December 18, 2007, Council adopted the 2008 Capital Budget authorizing funding for McGillivray Boulevard – Waverley Street to Columbia Drive.

At its meeting of January 28, 2009, Council approved the expropriation of three properties in conjunction with this project and delegated authority for settlement to a maximum of $750,000.00.

Lengthy negotiations by the Real Estate Division have produced a proposed settlement with the estate of the expropriated owner.

On February 9, 2012, a tentative offer of settlement, subject to Council approval, was reached at a total of $1,240,000.00, plus ancillary costs. The Encroachment License Agreement is for a portion of the existing building which encroaches into the public right of way as a result of the expropriation. The proposed Encroachment License Agreement is attached hereto.

On April 13, 2012, a new title was issued to Soul Sanctuary Inc., reflecting the purchase of the subject property at 2233 McGillivray Boulevard from the Estate of John R. McCall.

The Planning, Property and Development Department is of the view that this resolution of the claim is in the City's best interests. It will bring the matter to a close and avoid additional litigation expenses and risk.

The Corporate Finance Department, Risk Management Branch, reviewed the insurance requirements for this proposed encroachment and their comments have been incorporated into the proposed Encroachment License Agreement. No objections to the proposed encroachment were received.

The Public Works Department has confirmed, subject to approval of Recommendation # 3, that sufficient funding is available under account number 003-181000-180604-18980005EX-PROPERTY.
