STANDING POLICY COMMITTEE

ON DOWNTOWN DEVELOPMENT, HERITAGE

AND RIVERBANK MANAGEMENT

QUESTION PERIOD

Minute No. 601
In reference to the Council vote on the establishment of the Exchange Waterfront Neighbourhood Development Plan, a 10,000.00 incentive to potential purchasers for downtown condos in the Exchange, Councillor Havixbeck questioned if the Downtown Strategy Report, which would have recommended to not provide the incentives, would be considered publically.

Councillor Pagtakhan advised that he was endeavouring to have a Council Seminar in mid-October to bring more light to this issue and deal with the by-law as it moved forward.
