STANDING POLICY COMMITTEE ON INFRASTRUCTURE RENEWAL

AND PUBLIC WORKS

QUESTION PERIOD

Minute No. 667

Councillor Smith understood that the Transit Department's mechanics had been working a tremendous amount of overtime, and asked how much overtime that was, to which Councillor Vandal replied he could not say, but would ask Dave Wardrop at the next meeting.

Councillor Smith asked why the City had not hired more garage mechanics instead of giving overtime, and Councillor Vandal replied that he would inquire with the Director on that issue.

Councillor Havixbeck mentioned that at the previous Council meeting, she had asked about money that was being allocated with $1.3 million awarded on August 23rd for riverbank stabilization on Lyndale Drive, and then a further $2 million allocation later on and asked if the Chair had an update on the bid award. Councillor Vandal replied that he didn't, and apologized for not doing the necessary follow-up from the previous question, but would do the follow-up with the Administration on the matter.
