STANDING POLICY COMMITTEE ON

PROPERTY AND DEVELOPMENT

QUESTION PERIOD

Minute No. 690

Regarding better cell phone tower coverage, Councillor Mayes asked for an update on whether the Federation of Canadian Municipalities (FCM) has developed a protocol on cell phone tower placement. Councillor Browaty replied that members of the public Service have been working with the Steering Group that was initiated by the FCM on this protocol, and they were looking for more political direction as to how to proceed with this matter. He further stated that he was prepared to move something forward at the next Standing Committee meeting, which would be on the 5th of November.
