Hi, my first thought is GO BOMBERS GO
I have been a Winnipeg Blue Fan for as long time.
I have worked as a security guard for Winnipeg Enterprises with Winnipeg Blue Bombers for two or three years. One of these years
I worked as a security guard in the north west of the Canad Inn, i also worked as a paid security guard at a different year. I worked in the mall east of the stadium.
I am confident that we will make a great place to host the Grey Cup. It is a proven fact that people with a great following make the most money. Winnipeg, not only may we host the Grey Cup we will make a lot of money doing it.. I want all of you to go and enjoy yourselves. I watched the recent Game Cup in Regina. Saskatchewan Roughriders beat Hamilton 45-21. I was cheering for Saskatchewan. It was a good game.The game with advertisments is about 5 hours long. I am asking all of you to participate whether you are a volunteer or not. Of course if you volunteer that is much better.
I have been a volunteer in many different activities and organizations. I have been a volunteer for many years. I know how to work for nothing! Just ask me. I drove a van
n the Endogeneous Games, Pan Games and for many others, etcetera.Presently I am working for Social Planning Council, Independent Living Resource Centre, Belle Tower, INMW (Idle No More Winnipeg) Thunderbird House and many more. I challenge all of you to be as busy as I am. You can do it. If you like I will even coach you,
If everyone put in just a few hours a week things would be great, wouldn't they?
I for one will continue to volunteer. Will you?

I want badly to become a member Access Advisory Committee. I have done a lot of volunteering with the disabled Do you? We are all good people.and need to be counted.
I feel I have done lots of volunteer work with all types of people including the disabled. I feel Councillor Ross Eady does a lot of volunteer work with people.
I will continue to cheer for the Winnipeg Blue Bombers.

In conclusion, I really want Winnipeg to host the Grey Cup again. I wonder why there is no year or date on this report. I also wonder why you do not place a cost on it. I know the income always exceeds the expenditure and we make a profit. Winnipeg is full of volunteers. What is the problem? Yes I want Winnipeg Blue Bombers to pull up their socks and win a lot of games in the next years. We can do it. Go Bombers Go. We can so it. Never give up on them.
