BY-LAW NO. 8011/2002

A By-law of THE CITY OF WINNIPEG to amend The Frontage Levy By-law.

THE CITY OF WINNIPEG, in Council assembled, enacts as follows:

1. The Frontage Levy By-law No. 7958/2002 is amended by this by-law.

2. Section 2 is amended by adding the following definitions in alphabetical order:

"Feeder main" means a water main constructed solely to carry water from a regional pumping facility to distribution (local, fronting) water mains and to which the owners of abutting properties have no right to connect.

"Interceptor sewer" has the same meaning as it has in the Sewer By-law.

"Water main" does not include a feeder main.

"except that a frontage rate imposed by subsection 3(2) does not apply to properties fronting on streets containing only an interceptor sewer unless the property is connected to the interceptor sewer."
