Dear Ms. Timmins :
REVISED REPORT

REZONING
780, 786, 790, 798, and 806 McDermot Ave.
Lord Selkirk – West Kildonan Community Committee
File No. DAZ 212/03

An application has been received from ND Lea on behalf of the University of Manitoba, to amend By-Law No. 6400/94 by rezoning the land shown below from a "R-2" Residential District to a/an "C-2" Commercial District to allow for short term accessory parking and long term redevelopment.

RELATED FILES: DCU 112/03C; DAV 236/03C; DAV 237/03C

SITE DESCRIPTION:

Site Area:

The total overall site area of the five lots subject to this application is approximately 0.4 acres.

Existing Land Use and Zoning:

The five lots in question are currently zoned R-2 Residential, and contain a mix of accessory parking areas, occupied, and unoccupied residential buildings.

Surrounding Land Use and Zoning:

North: McDermot Ave., with a parking lot and buildings associated with the University of Manitoba and the Health Sciences Centre, zoned C-2.

South: A residential alley right-of-way, with a mixture of private residences (R-2), a building occupied by the Manitoba Buddhist Association (R-2), and vacant residences and lots owned by the University of Manitoba and the Winnipeg Regional Health Authority (R-2 and C-2). Further to the south are parking areas and buildings owned by the Winnipeg Regional Health Authority, located on the north side of Notre Dame Ave., zoned C-2.

East: Vacant lots and buildings associated with the Health Sciences Centre (C-2), and an older mid-rise apartment building (R-2).

West: Tecumseh St, with a residential neighbourhood and a church facility (R-2).

DEVELOPMENT DESCRIPTION:

The applicant, the University of Manitoba, proposes to rezone the five properties in question to allow for future redevelopment. The short term for these properties are proposed to be non-accessory parking on 780 and 806 McDermot (see related variance applications DAV 236/03D & DAV 237/03C), and continued residential use on the remaining three properties (see related conditional use application DCU 112/03C). It is the University's intent to develop a long term plan for the use of these properties; however, the applicant has indicated that such a plan has not been determined at this time.

PLAN WINNIPEG:

The subject parcelts fall with a designated Neighbourhood Policy Area under Plan Winnipeg which allowes for the processing of commercial rezoning applications; thus, the proposed rezoning is in conformance with Plan Winnipeg 2020.

ADMINISTRATIVE COMMENTS:

The proposed rezoning is in general compatable with the surrounding land uses in the area. The majority of the properties and uses in the area are related to the activities of the University of Manitoba and the Health Sciences Centre. The rezoning of these properties to a C-2 Commercial district is consistent with the existing University of Manitoba and Health Sciences Centre complex, and will allow for potential expansion of these facilities and associated uses.

RECOMMENDATION:

I. That Zoning By-law 6400/94 be amended by rezoning the subject land as shown on Schedule "A", for file DAZ 212/03, attached hereto and dated May 26, 2003, to a "C-2" Commercial District, subject to the following:

A. That the applicant enter into a zoning agreement with the City of Winnipeg pursuant to Subsection 240(1) of The City of Winnipeg Charter, to provide for the following as permitted uses:

1. Hospital, or similar treatment center, as a conditional use
2. Medical or dental clinics, laboratories, or similar facilites.
3. University, college, or school, not conducted as a business enterprise.
4. Accessory uses to hospitals, medical or dental clinics, laboratories, universities, colleges, or schools.
5. Institutions of an educational or philanthropic nature, except those of a correctional nature.
6. Non-accessory off-street parking and loading areas, or parking structures.
7. Dwelling, multiple-family, subject to the "RM-L" Multiple-Family District regulations of Zoning By-Law No. 6400/94
8. Day care center
9. Accessory uses, not listed
10. Any of the following incidental businesses, conducted as a service, provided that there is no entrance to such place of business except from the interior of the building and that no sign advertising such business shall be erected on the exterior of the building:
    a. bank, credit union or similar financial service
    b. barber shop, beauty salon, or similar grooming service
    c. book sales
    d. stationery sales
    e. convenience store, as a conditional use
    f. drug store
    g. florist
    h. gift store
    i. laundry, self-service
    j. office
    k. post office, carrier depot
    l. restaurant, with a maximum 2,500 square feet of floor area

II. That a 10 per cent dedication be made by a payment of a sum of money to the City in lieu of the requirement for land dedication based on the increase in the market value of the land.

III. That, in the event this application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of this report by Council, the

matter shall be deemed to be concluded and shall not be proceeded with unless an extension of this time is applied for prior to the expiry of this twenty four (24) month period and the extension is subsequently approved by Council.

IV. That the City Solicitor/Manager of Legal Services be requested to prepare the necessary rezoning by-law and forward same to Council for all three readings.

V. That the rezoning by-law shall come into effect when the Zoning Agreement has been registered by caveat as a first charge against the subject land at the Winnipeg Land Titles Office, provided that the said effective date occurs within twenty-four (24) months from the date that the said rezoning by-law is adopted by Council.

VI. That the Proper Officers of the City are hereby authorized to execute said Zoning Agreement.
