Explanation for Council re By-law No. 2031/78

The within amendments are to clarify that a swimming pool is a structure and where overhead or underground electrical wiring may be located adjacent to the swimming pool.

D. C. Lennox, Q.C.,
City Solicitor.

BY-LAW NO. 2031/78

A By-law of The City of Winnipeg to amend By-law No. 1544/77, being The Winnipeg Building By-law.

THE CITY OF WINNIPEG, in Council assembled, enacts as follows:

1. Subsection 3.3 of By-law No. 1544/77 is hereby amended by deleting therefrom the definition for the word "Structure" and substituting therefor the following:

> Structure means anything constructed or erected with a fixed location on or in the ground, or attached to something having a fixed location on the ground, and including but not limited to the following: buildings, walls, fences, signs, billboards, poster panels, light standards, swimming pools.

2. Subsection 15.10.2. of By-law No. 1544/77 is hereby amended by deleting therefrom paragraph numbered (6) thereof and substituting therefor the following:

> (6) A swimming pool shall not be placed under or within 3 m (ten (10) feet) horizontally of any overhead electrical wiring or within 1.5 m (five (5) feet) of any underground electrical conductors including communication conductors except as may be permitted by the Winnipeg Electrical By-law.

DONE AND PASSED in Council assembled, this 19th day of July A.D. 1978.
