STANDING POLICY COMMITTEE ON PROPERTY AND DEVELOPMENT

QUESTION PERIOD

Minute No. 208
Councillor Schreyer asked if he would be able to meet with the Chair of Property and Development regarding Budget proposals.

Councillor Orlikow responded in the affirmative and suggested that as the budget was taking place so soon after the election, Councillor Schreyer's questions may span over a longer term than time allowed for this budget. However, if Councillor Schreyer had anything to ask in the short term, he would be happy to sit down and talk about it.

Councillor Schreyer asked if Councillor Orlikow would agree that it was best to do this after the budget because it was more difficult to make long-term decisions on proposed cuts within the budget time line.

Councillor Orlikow replied that it was just an assumption that cuts would be made, but advised he would try to help get the answers as quick as possible, either before or after March 3, 2015.
