STANDING POLICY COMMITTEE ON INFRASTRUCTURE RENEWAL AND PUBLIC WORKS

QUESTION PERIOD

Minute No. 333

Councillor Browaty questioned if the Chair and the Public Service would look to find a way to cut the grass more in May and June and less in July and August when it was not growing as fast to accommodate the cycle of Mother Nature versus the cycle of a CUPE contract; to which Councillor Lukes replied in the affirmative.

Councillor Wyatt asked the Chair to provide some information about the industrial-commercial street renewal program. Councillor Lukes advised that it was a new program that addressed streets in the commercial and industrial areas and definitely needed a spotlight put on it.
