RECOMMENDATIONS

That the time limit for By-law No. 85/2014 to come into force be extended to July 28, 2016.

REASON FOR THE REPORT

Council approval is required for an extension of time.

IMPLICATIONS OF THE RECOMMENDATIONS

The owner will be granted a two (2) year extension of time in order to complete the registration of the Plan of Subdivision and Zoning Agreement DASZ 6/2014 at Winnipeg Land Titles Office.

HISTORY

On May 27, 2014, Council adopted Item No. 18 of the report of the Standing Policy Committee on Property and Development dated May 13, 2014, which recommended approval of the subject development application as shown on Appendix "A" attached.

On July 28, 2014, By-law No. 85/2014 was passed by Council. Section 3 of the By-law stipulates:

Coming into force

> "3(1) Section 1 comes into force when the plan of subdivision is registered in the Winnipeg Land Titles Office.
>
> (2) Section 2 comes into force when the plan of subdivision is registered in the Winnipeg Land Titles Office and Zoning Agreement DASZ 6/2014 is registered in the Winnipeg Land Titles Office by caveat against the subject land, all within one year from the date this By-law is passed, failing which this By-law expires unless that date is extended by resolution of City Council and the plan of subdivision and caveat are registered before such extended date."

By-law No. 85/2014 has not come into force by the required registration of the Plan of Subdivision and Zoning Agreement DASZ 6/2014 by caveat. The one year time limit for registration to occur will expire on July 28, 2015.

On March 3, 2015 the Developer, Sage Creek Development Corporation, Attention: Mr. Elliott Hannam of One Dr. David Friesen Drive, Winnipeg, Manitoba, R3X 0G8 requested an extension of time in order to complete the required registrations, see attached Appendix "B".

The Winnipeg Public Service have reviewed the request for the extension of time and is of the opinion that approval of the subject extension of time would be acceptable and circumstances leading to the original approval remain unchanged.

FINANCIAL IMPACT

There is no financial impact associated with this recommendation.

Sage Creek Phase 2
Extension of Time for Coming Into Force section of By-law 85/2014

Dear Greg,

At its meeting held on July 16, 2014, City of Winnipeg Council passed By-law 85/2014 to approve the plan of subdivision applied for under application DASZ 6/2014.

Clause 3(2) of Council's approval of this plan of subdivision outlines the requirement that the plan of subdivision and Zoning Agreement are registered at the Winnipeg Land Titles Office within one year of the date the By-law was passed by Council.

At this time the Sage Creek Development Corporation will be unable to meet the one year deadline for registration of the plan at WLTO, and would like to request a two year extension for the coming into force section of By-law 85/2014. Market conditions have left us unable to finalize agreements with the end users of the lots being created through this plan, and in turn unable to finalize the location of cross-access agreement between proposed lots one and two as required by the Zoning Agreement.

Enclosed with this letter is a cheque in the amount of $785.75 representing payment of $535.00 plus GST for extension of time, and $224.00 for re-approval of Mylars extending registration date.

I trust this letter will meet your requirements for requesting the two year extension for By-law 85/2014, should you require more information please let me know.

Yours truly,

SAGE CREEK DEVELOPMENT CORPORATION

Elliott Hannam
Land Development Officer
