RECOMMENDATIONS

That the time limit to provide for the coming into force of rezoning By-law No. 101/2012 under File No. DASZ 24/2011 be extended to July 18, 2016.

REASON FOR THE REPORT

Council approval is required for an extension of time.

EXECUTIVE SUMMARY

Pursuant to By-law 101/2012, the Developer is required to execute the required Development Agreement and register the Plan of Subdivision for DASZ 24/2011 at the Winnipeg Land Titles Office, thus enabling Section 3 to come into force and effect.

The Developer, 6651802 Manitoba Ltd. has requested Council approve a further extension of time in order to complete the necessary registrations. Approval of the extension of time will enable the Winnipeg Public Service and Developer to complete the processing and execution of agreements and related legal documents. The Winnipeg Public Service has no objection to this request.

IMPLICATIONS OF THE RECOMMENDATIONS

The Developer will be granted a one (1) year extension of time to complete the registration of the Plan of Subdivision for DASZ 24/2011 at the Winnipeg Land Titles Office and execution of the required Development Agreement to satisfy By-law No. 101/2012 coming into force requirements.

HISTORY

On December 14, 2011, Council adopted Item No. 3 of the report of the Standing Policy Committee on Property and Development dated November 29, 2011 which clause recommended approval of the subject subdivision and rezoning to a "R1-L" RESIDENTIAL SINGLE FAMILY (Large) DISTICT and an "R1-M" RESIDENTIAL SINGLE FAMILY (Medium) DISTRICT as shown on Appendix "A" attached to allow for future residential development.

On July 18, 2012, By-Law No. 101/2012 was passed by City Council. Section 3, Coming into force stipulates:

> "3(1) Section 1 comes into force when The City of Winnipeg executes the Development Agreement referred to in that section, which execution notwithstanding passage of this By-law shall remain in the absolute discretion of City Council.
>
> (2) Section 2 comes into force when the plan of subdivision is registered in the Winnipeg Land Titles Office."

By-law No.101/2012 has not come into force by the registration of the Plan of Subdivision and the one year time limit for plan registration expired on July 18, 2013. Further, the required Development Agreement has yet to be finalized with the Developer.

On September 25, 2013 Council concurred with Item No. 10 of the report of the Standing Policy Committee on Property and Development dated September 10, 2013 recommending that the time limit to provide for enactment of Zoning By-law No. 101/2012 coming into force and effect be extended for a one (1) year period to July 18, 2014.

On June 25, 2014 Council concurred with Item No. 3 of the report of the Standing Policy Committee on Property and Development dated June 10, 2014 recommending that the time limit to provide for enactment of Zoning By-law No. 101/2012 coming into force and effect be further extended for a one (1) year period to July 18, 2015.

The subject property acquired new ownership in March 2013. The owner, 6651802 Manitoba Ltd. per Dale Davis, President, has been working towards assembling the required information and has engaged the services of a new project design engineer and representative to move the project forward. The owners representative, Jessica Manness, P.Eng., of JME World Consultants has requested on behalf of the owner a further extension of time in order to complete the necessary Agreement and subdivision plan registrations, see attached Appendix "B".

The Winnipeg Public Service has reviewed the request for the extension of time and is of the opinion that approval of the subject extension of time is acceptable, and circumstances leading to the original approval remain unchanged.
