REASON FOR THE REPORT

In accordance with the Council Order of July 18, 1979, the Standing Policy Committee on Property and Development shall authorize the leasing or rental of City property for which the Director of Planning, Property and Development has no authority.

In this regard, the Planning, Property, and Development Department have negotiated the proposed Terms and Conditions of a Lease Agreement as set out in attached Schedule A in favour of Home Run Sports Inc. for the use of City-owned property at 517 Pandora Avenue East and identified as "Main Floor Lease Area – 746 square feet" on Misc. Plan No. 14540/1.

EXECUTIVE SUMMARY

Request for a Lease Agreement for the purpose of selling sporting goods at City-Owned property commonly known as Transcona East End Community Centre, as specified in the History section of this report.

IMPLICATIONS OF THE RECOMMENDATIONS

- The Department has determined that there is no general, policy, regulatory, environmental or human resource implications to entering into a Lease Agreement as set in the attached Terms and Conditions.

- The Transcona East End Community Club will receive a monthly operating grant equivalent to the monthly lease revenues collected to help offset operating costs within the facility.

- The proposed Lease is for an initial term of five (5) years with an extension option of three (3) five (5) year renewals.

HISTORY

On February 27, 2013, Council approved the proposal to develop the multi-pad arena development at the Transcona East End Community Centre: "Transcona East End Expansion Project".

On July 17, 2014, the City entered into a funding agreement with TEECC setting out the Terms and Conditions pursuant to which City and Province of Manitoba funding is to be provided to the TEECC for the expansion project. Included in the funding agreement was a provision that the TEECC receive, among other revenues, lease revenues. Any monies remaining after the payment of certain specified costs and expenses are defined as "Annual Surplus Cash flow".

The TEECC is obliged to use 50% of the Annual Surplus Cash flow to service the principal and interest payments on debt associated with the East End Arena Expansion Project until such time as TEECC's $4.0 million share of such debt plus interest is repaid in full. Once the TEECC portion of the loan is paid in full, the TEECC will annually transfer 50% of Annual Surplus Cash Flow to a restricted capital reserve to be used exclusively for TEECC capital improvements.

Home Run Sports Inc. has expressed its interest to lease space on the main floor within the Transcona East End Community Centre for the purpose of selling sports goods and clothing.

The application was circulated to applicable City departments and public utilities for consideration and comments. All comments and concerns have been incorporated into the signed Terms and Conditions.

The Risk Management Division of Corporate Finance reviewed the insurance requirements for this proposed lease and their comments have been incorporated into the Terms and Conditions.

The Planning, Property, and Development Department have negotiated proposed Terms and Conditions of a Lease Agreement in favour of Home Run Sports Inc.

This report seeks approval of the proposed Terms and Conditions as negotiated.
