Dear Your Worship;

Re: Recommendation of the City of Winnipeg Access Advisory Committee for additional funding to the City of Winnipeg Department Wide Accessibility Program 2016-2020.

On Tuesday December 1, 2015 the City of Winnipeg Access Advisory Committee passed the motion to recommend to EPC a request to consider increasing the capital program 2016-2020 for the purpose of funding the City Wide Accessibility Program.

WHEREAS the Province of Manitoba Legislation "Accessibility for Manitobans Act" was passed in December 2014 which will require a larger overall commitment from all Municipalities in assuring Accessible and Inclusive Services for all.

WHERAS the Accessibility Program was established by City Council in December 2002 in order to address accessibility issues in City of Winnipeg existing infrastructure and built environment;

AND WHEREAS funding was set at a level of $250,000.00 in 2002, and then again amended in 2008 to a level of $350,000 for a five year period, ending in 2012, and with no subsequent increases since.

AND WHEREAS the application for funding by all the City of Winnipeg departments have consistently exceeded the funding available on an annual basis.

AND WHEREAS construction costs and costs of materials have escalated over the last 10 years.

THEREFORE BE IT RESOLVED that the Access Advisory Committee requests that the Capital Budget funding for the Accessibility Program be increased from $350,000.00 to $500,000 for each of the next 5 years starting in 2016.

It is our hope that you will bring this forward to the Executive Policy Committee for its consideration to the Capital Budget.

If representation is required, we will clear our schedules to attend and speak to the motion.

Yours sincerely,

C Sobkowicz
