EXECUTIVE SUMMARY

Since the initial agreement was developed in 2011, the Winnipeg Police Service has eliminated the need for General Patrol Units to execute court generated warrants.

IMPLICATIONS OF THE RECOMMENDATIONS

The Extension of Memorandum of Understanding between the Province of Manitoba Sheriffs Services and the Winnipeg Police Service regarding warrant diversion pertains to the extension of the agreement negotiated in 2011. The extension commences on January 18, 2016 and continues until and including January 17, 2021.

HISTORY

In the negotiated agreement, the parties developed a process to allow Sheriffs Services to assist in processing persons arrested on court generated warrants at 408 York.

By eliminating the need for General Patrol Units to execute court generated warrants, the workload of WPS front line resources was reduced, thereby assisting in reducing response times and increasing availability of units. This agreement provides efficiencies to both the Winnipeg Police Service (WPS) and Province of Manitoba Sheriffs Services.

There are no costs associated with the initiative.
