RECOMMENDATIONS

1. That the Zoning Agreement under File DAZ 263/1988 dated January 4, 1989 (By-law No. 5091/1989), be amended for the subject property (Lot 24 Block 64 Plan 331 35 WST J) to permit the following uses: personal service, office and retail sales on the subject site.

2. That the Director of Legal Services and City Solicitor be requested to prepare the necessary Amending Agreement to Zoning Agreement DAZ 263/1988 (By-law No. 5091/1989), dated January 4, 1989 as approved in aforesaid Recommendation 1.

3. That the Proper Officers of the City are hereby authorized to execute said Amending Agreement.

4. That the Director of Legal Services and City Solicitor be requested to do all things necessary for implementation in accordance with the terms of The City of Winnipeg Charter.

REASON FOR THE REPORT

- The applicant is proposing to include the following type of uses on site; personal services, office and retail sales.
- The existing zoning agreement on the land does not permit the uses listed above. As such, a zoning agreement amendment is required.

- A zoning agreement amendment requires a Public Hearing as per the *Development Procedures By-law* and *The City of Winnipeg Charter.*
- The Report is being submitted for the Committee's consideration of the development application at the Public Hearing.

IMPLICATIONS OF THE RECOMMENDATIONS

- If the recommendations of the Urban Planning Division are concurred in, the Zoning Agreement will be amended to permit the following uses; personal service, an office and retail sales on site.

HISTORY

DAZ 263/1988

- The subject property went through a rezoning under file DAZ 363/1988, and changes to By-law 4450/86 by rezoning from an "R2-T" Two-Family Transitional District to a "C2-S" Suburban Commercial District for the commercial development of a grocery store and a self-service laundry.
- A zoning agreement caveat was placed on the land in conjunction with that rezoning. Relevant clauses restricting the land under the zoning agreement is (clause 2) states the following:
    - The land and any building or structure thereon shall not be used for, and no building or structure shall be erected, placed, altered or enlarged on the land for any use except;
        - Grocery store
        - Self-service laundry
        - a single-family residence accessory to such a use
        - structures accessory to any of those three (3) uses

DESCRIPTION OF THE PROPOSED DEVELOPMENT

- The applicant is proposing to include the following type of uses on site; beauty hair salon, office and retail sales.
- Currently, the existing Zoning Agreement restrict uses on the property to just four (4) Uses;
    - Grocery store
    - Self-service laundry
    - a single-family residence accessory to such a use
    - structures accessory to any of those three (3) uses

ANALYSIS AND ISSUES

COMPLETE COMMUNITIES DIRECTION STRATEGY

- Under the *Complete Communities Direction Strategy* the proposed development is within the Areas of Stability – Mature Communities policy area. Key policies guiding development within Areas of Stability include:
    - Support a mix of commercial services and employment uses that serve local community.
    - Encourage intensification to occur at centres and along corridors

ZONING (BY-LAW 200/2006)

"C2" General Manufacturing District

- The C2 zoning district is intended to accommodate more intensive commercial sites that do not have a local or neighborhood orientation. The district is intended to include attractive commercial, institutional, recreational, and service facilities needed to support the surrounding neighborhoods and the broader community.

Amendment to Zoning Agreement DAZ 263/1988

- The existing zoning agreement (clause 2) is too restrictive, and is preventing an optimal utilization of subject property which is rightly zoned for commercial purposes.

COMPATIBILITY WITH THE SURROUNDING NEIGHBOURHOOD

- The subject property falls within the *Areas of Stability* in the *Complete Communities Direction Strategy*. *Areas of Stability* are planned to support a mix of commercial services and employment uses that serve local community.
- The proposal to establish uses such as personal services, office and retail sales is in concert with the *Complete Communities* objectives to support intensification of centres and corridors.
- The subject site is a corner lot with appropriate zoning category to accommodate the proposed uses. Being on a community mixed use corridor, the proposed uses will serve the wider community.
- The Urban Planning Division is supportive of the Zoning Agreement Amendment as it will not cause any adverse effect on adjoining properties.

IMPLICATION OF ARLINGTON BRIDGE REDEVELOPMENT

- The Public Works department has identified a potential need for the widening of Arlington Street in conjunction with the potential replacement of the Arlington Bridge on or near its current alignment. Public Works advises this would result in the need to acquire all or part of the property. This would impact the existing building which currently has a zero setback to Arlington Street. The applicant has been advised of this situation and wishes to proceed with the subject application.

REASONS FOR RECOMMENDATION

The Urban Planning Division recommends **approval** for the following reasons:

- The proposed amendment is in line with the Complete Communities Direction Strategy for Area of Stability-Mature Community.
- The proposal is in concert with the current zoning of the property. Also, the fact that the subject land is corner lot is advantageous.
- While an office is permitted out rightly in a “C2” zoning district, personal services and retail sales are permitted with use specific standards.
- The Urban Planning Division does not foresee an adverse effect on surrounding properties.

RECOMMENDATION

1. That the Zoning Agreement under File DAZ 263/1988 dated January 4, 1989 (By-law No. 50911889), be amended for the subject property (Lot 24 Block 64 Plan 331 35 WST J) to allow such uses as proposed.

2. That the Director of Legal Services and City Solicitor be requested to prepare the necessary Amending Agreement to Zoning Agreement DAZ 263/1988 (By-law No. 5091/1989), dated January 4, 1989 as approved in aforesaid Recommendation 1.

3. That the Proper Officers of the City are hereby authorized to execute said Amending Agreement.

4. That the Director of Legal Services and City Solicitor be requested to do all things necessary for implementation in accordance with the terms of The City of Winnipeg Charter.
