EXECUTIVE SUMMARY

This report seeks to establish a 2016 East District Police Station Leasehold Improvement Capital Budget based on funding provided by Huntingdon Capital Corporation.

RECOMMENDATIONS

1. That a 2016 East District Police Station Leasehold Improvements Capital Budget (Project No. 6331002826) be established in the amount of $825,000.00 funded by contributions from Huntingdon Capital Corporation.

2. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

Council approval is required to establish Capital Project and/or Project Budgets.

IMPLICATIONS OF THE RECOMMENDATIONS

A 2016 East District Police Station Leasehold Improvements Capital Budget in the amount of $825,000.00 will be established.

No additional City of Winnipeg funding is required as the $825,000.00 has been received from Huntingdon Capital Corporation.

HISTORY

On July 18, 2007, Council concurred in the recommendations of the then Standing Policy Committee on Property and Development and approved a Public-Private Partnership (P3)

contract to Huntingdon Real Estate Investment Trust (HREIT) for the development and operation of the East District Police Station pursuant to Request-For-Proposals Bid Opportunity No. 673-2006 based on a 30-year lease term. Note that, effective December 31, 2011, Huntingdon Real Estate Investment Trust converted from an income trust to a corporation; Huntingdon Capital Corporation.

The terms of the lease agreement included a leasehold improvement allowance of eight hundred and twenty-five thousand dollars ($825,000.00) to be provided in years seven (7), fourteen (14) and twenty-one (21) of the initial lease term. The commencement date of the lease agreement was September 15, 2008 and, as such, the first leasehold improvement allowance was due and payable during the one-year period from September 15, 2015. Pursuant to the terms of the lease agreement, the City of Winnipeg, Planning, Property and Development Department, has received from Huntingdon Capital Corporation a total of $825,000.00 ($100,000.00 in October 2015 and $725,000.00 in January 2016).

Subject to Council approval of the requested budget, the leasehold improvement allowance will be used for the refurbishment and/or replacement of existing slide gate systems at the north access point off Dugald Road and the west access point off Durand Road. Other planned expenditures include, but are not limited to, replacement of all exterior and interior locks to standardize security, replacement of existing analog cameras to Internet Protocol cameras to standardize resolution quality, and the replacement and/or relocation of exterior signage to improve visibility.
