**Subject: EPC Meeting Wed Jan 11 - Item 8 Frontage Levy – Impact on Religious and Not-For-Profit Cemeteries**

Mr. Mayor and Members of the Executive Policy Committee:

On the EPC Meeting agenda tomorrow is Item No. 8 , Frontage Levy – Impact on Religious and Not-For-Profit Cemeteries.

I support the motion before you.
Kildonan Presbyterian Cemetery Inc, located in the Old Kildonan ward, has been affected by frontage levy charges that are making their properties unsustainable.
They are very concerned about their future operations as are other cemeteries throughout the city.

Please consider reviewing the impact of frontage levy charges as the motion outlines.
Thank you.
