RE: A By-law to correct errors in By-law No. 29/2016
Our File No. DASZ 13/2015

At its meeting of February 24, 2016, Council passed By-Law No. 29/2016.

I have recently determined that the plan in section 1 of By-Law No. 29/2016 and the plan in section 2 of By-Law No. 29/2016 each contained errors.

Please find enclosed an amending by-law which corrects those errors. This corrective by-law amendment does not prejudice the rights of any person, so under section 276 of The City of Winnipeg Charter Council may pass the amendment without the usual public hearing and report requirements for a zoning by-law.

Please place the enclosed by-law before Council at its meeting scheduled for April 26, 2017. My assistant Danielle Rafael has e-mailed an electronic copy of this by-law to Jennifer Ridge of your department.

Thank you.
