EXECUTIVE SUMMARY

The time limit for the Coming into Force provision of By-law No. 14/2015, under File No. DASZ 3/2014, has expired. The Developer, Hopewell (Bishop Grandin) Development Inc., has requested an extension of time to finalize the land titles registration of the plan of subdivision and related agreements and easements as required.

The Winnipeg Public Service has no objection to this request.

RECOMMENDATIONS

1. That the time limit to satisfy the Coming into Force provisions of By-Law No. 14/2015 be extended to February 25, 2018.

2. That the proper officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

Council approval is required for an extension of time.

IMPLICATIONS OF THE RECOMMENDATIONS

If the recommendation is concurred in, the Developer will be allowed a time extension to February 25, 2018 to complete the necessary registrations at the Winnipeg Land Titles Office.

HISTORY/DISCUSSION

On May 27, 2014, Council adopted Item No. 3 of the report of the Standing Policy Committee on Property and Development dated May 13, 2014 which recommended approval of the subject rezoning and subdivision under DASZ 3/2014 from an "M2" Manufacturing General District to an "RMU PDO-1 BISHOP GRANDIN CROSSING" Residential Mixed Use District, a "CMU PDO-1 BISHOP GRANDIN CROSSING" Commercial Mixed Use District, a "PR1 PDO-1 BISHOP GRANDIN CROSSING" Parks and Recreation 1 Neighbourhood District, a "PR2 PDO-1 BISHOP GRANDIN CROSSING" Parks and Recreation 2 Community District, and a "M2 PDO-1 BISHOP GRANDIN CROSSING" Manufacturing General District under Zoning By-Law 200/2006.

Section 3 of By-law No. 14/2015 stipulates:

"Coming into force

3(1) Section 1 comes into force when the plan of subdivision is registered in the Winnipeg Land Titles Office.

(2) Section 2 comes into force when the Zoning Agreement DASZ 3/2014 is registered in the Winnipeg Land Titles Office by caveat against the subject land within one year from the date this By-law is passed, failing which this By-law will expire unless an extension of time is applied for prior to expiry, Council approves the extension, and the plan and caveat are registered before the extended date."

The Developer and the City of Winnipeg have executed the Development Agreement for Servicing and the necessary Zoning Agreement, however, By-law No. 14/2015 has not come into force by the required registrations of the Plan of Subdivision (Deposit No. 1363/2014) and Zoning Agreement DASZ 3/2014 by caveat at the Winnipeg Land Titles Office. The one year time limit expired on February 25, 2016.

On December 9, 2015, Council approved an extension of time request to extend the Coming into Force provisions of By-Law No. 14/2015. This extension was granted to February 25, 2017. In March 2016, the applicant made a request to revise the plan of subdivision approved under By-law 14/2015, as a result of decisions made by Manitoba Hydro not to participate in a land exchange. By-Law 84/2016 was passed by Council, on July 13, 2016, which amended By-Law 14/2015 by striking out the plan of subdivision in section 1 and substituting the plan as requested and as shown on Appendix "A" attached.

On February 6, 2017, the Developer, Hopewell (Bishop Grandin) Development Inc., Attn: Mr. Don Larke, 410-2020 4th Street SW, Calgary, Alberta, T2S 1W3, requested a second extension of time, in order to complete the necessary registrations due to the subdivision plan amendments approved under By-Law 84/2016.

The Winnipeg Public Service has reviewed this request for an extension of time and is of the opinion that approval of the subject extension of time would be acceptable and circumstances leading to the original approval remain unchanged.

RE: DASZ 3/2014 – Extension of Time Request

Dear Mr. Jasper,

On behalf of Hopewell (Bishop Grandin) Development Inc., I would like to respectfully request a one year extension of time relating to Bylaw No. 14/2015 coming into effect to allow for registration of documents at Land Titles for File DASZ No. 3/2014.

As you know, we made some material adjustments to the subdivision configuration of Bishop Grandin Crossing in 2016 as a result of decisions made by Manitoba Hydro not to participate in a land exchange. Further, we have advanced this file and executed the documents relating to the Development Agreement, Zoning Agreement and Subdivision Agreement and are securing the necessary City fees to allow for registrations to occur.

Work has been initiated on the Lot 16 Drainage Channel crossing and lime mud continues to be hauled off-site to the Brady Landfill where it is being shaped into berms.

We trust you will find our request to be reasonable. If you have any questions, please contact the undersigned at (403) 355-0436 or by email at dlarke@hopewell.com.

Sincerely,

HOPEWELL (BISHOP GRANDIN) DEVELOPMENT INC.
