STANDING POLICY COMMITTEE ON FINANCE

QUESTION PERIOD

Minute No. 458
Councillor Dobson asked if it was right for each Councillor to discuss the budget with the Chair of the Standing Policy Committee on Finance without being privy to each department's issues; to which Councillor Gillingham replied that he continued to meet with Councillors and invited Councillor Dobson to meet with the departments as well as with himself.

Councillor Dobson asked if he would receive an answer if he approached the departments directly; to which Councillor Gillingham replied he had experienced no issues receiving information from the departments when he was not on the Executive Policy Committee, nor part of the budget working group.

Councillor Wyatt asked for the results of the budget consultations; to which Councillor Gillingham replied the consultations were finished and the Office of Public Engagement would prepare a report for Council's review as soon as possible.
