Dear Stan,

The MCAM Executive has reviewed the report prepared by the Development & Inspections division of the Department of Planning, Property and Development of the City of Winnipeg, entitled Establishment of Prime Mechanical Contractor's License. The Executive would like to express support of the report. The creation of a Prime Mechanical Contractor's license allows the City of Winnipeg permit systems to accurately aligned with Industry practice while maintaining the high standards the Association intends for industry.

Thank you for the time the you and your staff have taken to meet with our representative as well as the timely and proactive nature in which you addressed our concerns. We look forward to the advancement of the report through the appropriate Committees and Council.

Sincerely,

Roger Phaneuf,
President
