Location: **587-589 Manitoba Avenue**
Legal Description: **LOTS 343 AND 344 PLAN 53 WLTO (W DIV) EXC OUT OF BOTH THE NLY 8 FEET IN RL 37 AND 38 PARISH OF ST JOHN**

Recommendation: **Approval**

Site Description

The subject property is zoned "R2-T" Transitional District. The property is approximately 7,100sqft (660m2) in area, is occupied by a building with storefront commercial space on the ground floor and residential space available on both the first and second floor, and is located on the northeast corner of the Manitoba Avenue and McGregor Street intersection.

Surrounding Land Uses
North: Rear land, then an automobile service station, zoned "C1" Commercial
South: Manitoba Ave., then an apartment zoned "R2-T" Transitional.
East: Single family detached dwelling, zoned "R2-T" Transitional.
West: McGregor St., then a used car lot, zoned "R2-T" Transitional.

Existing Zoning
Under the current "R2-T" Transitional District, a retail sales commercial use in not permitted. Therefore, in order to operate a commercial business the property is required to have a commercial district designation.

Background

Until 2004, Eagles Food Store, a neighborhood conveniences store, occupied the subject property and served the surrounding neighborhood. This previous business existed on the subject property under the "R2-T" Transitional District as a non-conforming use. As the use has not been in operation for a year, a new non-conforming use cannot be permitted.

Description of the Proposed Development

The applicant, Moon Goo Kang, is proposing to rezone the subject property to a "C1" Commercial District, in order to permit the re-establishment of a grocery store. The proposed grocery store would be established within the existing building located onsite. Also, the applicant intends to live onsite in the attached residential space.

In addition, a variance application (DAV 05-115007/D) to permit a 4.5ft (1.37m) front yard instead of 20ft (6.10m) is also being considered in association with this application.

Analysis

Plan Winnipeg Compliance:

The subject property falls within a designated Neighborhood Policy Area under *Plan Winnipeg 2020 Vision*, which allows for a variety of residential, commercial, institutional, and mixed uses. Therefore, the proposed rezoning is in conformance with *Plan Winnipeg 2020 Vision*.

Compatibility with existing neighborhood and surrounding uses:

The character of the area, predominantly zoned "R2-T" Transitional District, is residential in nature. The location of the subject property is on the edge of a single-family residential neighborhood, adjacent to McGregor Street a significant transportation corridor. There are few commercial retail opportunities that serve the residents who live within the surrounding neighborhood. Limited commercial services (bank, pubs, small retail, and offices) are located two blocks to the south, and the nearest grocery store (Safeway) is located eight (8) blocks north of the subject property on McGregor Street. Until 2004, Eagles Food Store, a neighborhood conveniences store, occupied the subject property and served the surrounding neighborhood. This previous business existed on the subject property under the "R2-T" Transitional District as a non-conforming use. As the use has not been in operation for a year, a new non-conforming use cannot be permitted. As such, in order to re-establish this former use a rezoning is necessary.

The proposed zoning is "C1" Commercial District, which is intended to provide for local commercial uses typically found within neighborhoods. It is anticipated that the proposed convenience grocery will be similar to the previous store, and will serve the surrounding residential neighborhood. It is also anticipated that patrons of the proposed business will travel to the store primarily by walking, cycling, or utilizing other non-automobile dependant modes of transportation. However, for those patrons who chose to travel by automobile, four (4) parking spaces are provided at the rear of the building, and parking is permitted on the street along Manitoba Ave.

The Public Works Department has reviewed the application and has no objection to the proposed rezoning. See memo attached.

Considering the above-mentioned, it is the opinion of the Planning Property and Development Department that the proposed rezoning to "C1" is compatible with the surrounding area, is an appropriate use for the subject property, and therefore should be granted approval.

Recommendation

The Planning and Land Use Division recommend ***approval*** for the following reasons:

- The proposed rezoning is compliant with *Plan Winnipeg 2020 Vision* and its policies;
- The proposed rezoning is compatible with the surrounding neighborhood and uses; and

- The proposed use will not create an adverse effect on the amenities, use, safety and convenience of the adjoining properties and adjacent area.

Recommended Conditions of Approval

I. That The Winnipeg Zoning By-law 6400/94 be amended by rezoning the subject land as shown on Schedule "A", for file DAZ 212/05, attached hereto and dated, April 26, 2005, to a "C1" Commercial District.

II. That a ten (10) per cent dedication be made by a payment of a sum of money to the City in lieu of the requirement for land dedication based on the increase in the market value of the land.

III. That, in the event the application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of the report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of this twenty-four (24) month period and the extension is subsequently approved by Council.

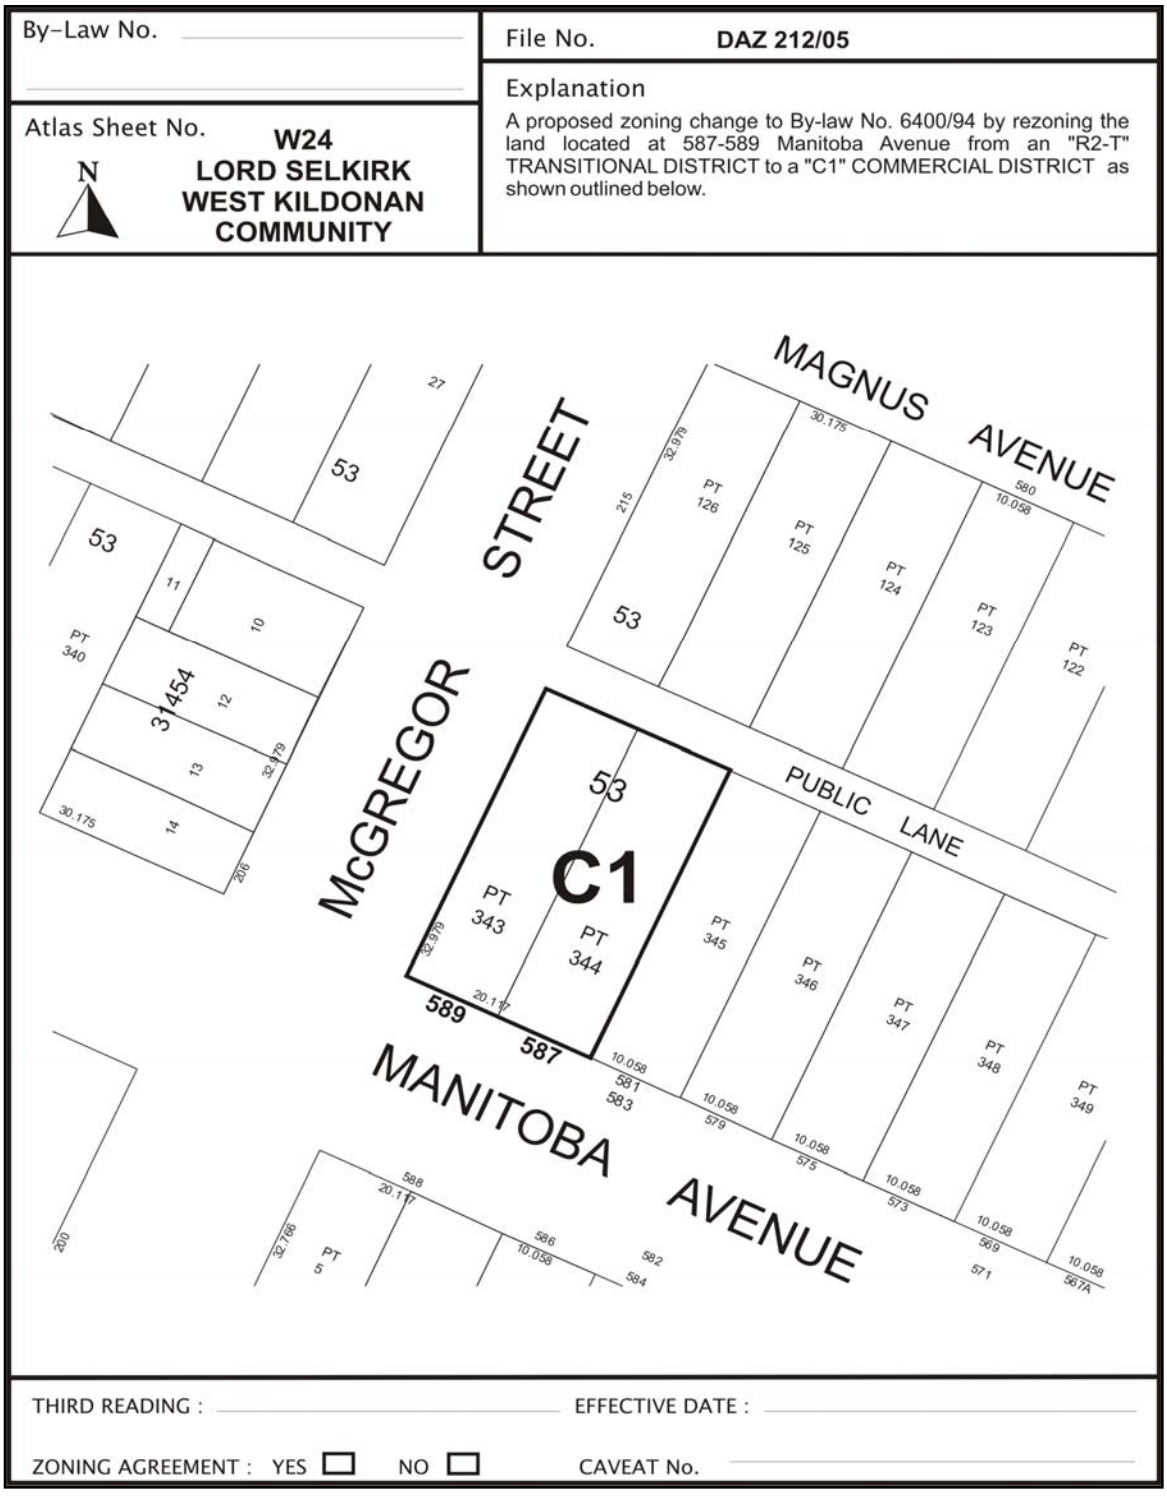

IV. That the City Solicitor/Manager of Legal Services be requested to prepare the necessary rezoning by-law and forward same to Council for all three readings.

V. That the City Solicitor/Manager of Legal Services be requested to do all things necessary for implementation in accordance with the terms of The City of Winnipeg Charter.
