REASON FOR THE REPORT:

The Planning, Property and Development Department has determined that there is no civic need for the subject City-owned property, shown outlined on the attached Misc. Plan No. 8815/7. By way of this report, the Department is requesting Council to declare the subject property as surplus to the City's requirements.

HISTORY:

The subject City property was purchased for the Eastern Thoroughfare connection to Provencher Boulevard, which has since been abandoned. Parcels A, B and C of Plan 35031 shown outlined on Misc. Plan No. 8815/7 are now surplus to the needs of the Public Works Department.

Details of the property are as follows:

Location:	Southwest corner of Dawson Road North and Provencher Boulevard	
Legal Description:	Parcels A, B and C Plan 35031	
Certificate of Title:	1524363, 1524364 & 1524367	
Roll Number:	06050619000 & 06050620000	
Assessment:	Pcl. A	$17,200
	Pcls. B & C	$117,000
Zoning:	Parcel A	"PR-1" – Parks and Recreation District
	Parcels B & C	"M-3" - Industrial District
Size:	2.8248 Acres	

DISCUSSION:

The Department has canvassed all City Departments and it has been determined that there is no civic need for the property. Parcel A shown as part of the subject City property on Misc. Plan No. 8815/7 is zoned "PR-1" – Parks and Recreation District. This area has been deemed surplus to Parks and Open Space needs.

In view of the fact that no civic need has been identified for the subject property, the Planning Property and Development Department recommends that the property be declared surplus to the City's requirements and offered for sale to the general public. Parcel A will need to be rezoned to "M-3" – Industrial District in order to be consistent with Parcels B & C and the surrounding lands.
