Message:
I wish to record my views on the public record with regards to EPC Agenda Item #5:

To ONLY CONSIDER the expansion of Wilkes and to ABANDON the recently identified option of extending Sterling Lyon.

I do not plan to speak at the EPC meeting tomorrow but do want my view to be recorded. As was clearly demonstrated at the Property Committee hearing last week the egregious process that has been undertaken by the City Planning Department and its consultant have been secretive, underhanded and offensive.
