EXECUTIVE SUMMARY

This Administration Report requests approval for the 2018 equivalent annual discount rate the City of Winnipeg will offer to property and business owners who elect to pay their taxes in advance of the annual due dates in accordance with Section 334(3) of the City of Winnipeg Charter.

Based on the City's short–term investment interest rate it has been determined that a discount rate of 0.45% for 2018 is considered to be fair to both the City and to the taxpayer.

Setting the discount rate at 0.45% will be near cost recovery, with the program expecting to result in a small net income of $2,960.

RECOMMENDATIONS

1. That prepayment discounts be given on payments received by the Assessment and Taxation Department during the months of January and February 2018 at the following discount rates:

Realty & Personal Property Tax - payable at par up to June 30th	Face Value Discount Rate	Equivalent Annual Discount Rate
January	0.185%	0.45%
February	0.149%	0.45%
Business Tax – payable at par up to May 31st		
January	0.150%	0.45%
February	0.113%	0.45%

2. That, pursuant to Subsection 334(3) of The City of Winnipeg Charter, Council enact the Taxes – Discounts for Prepayments By-law (draft by-law attached as Schedule 'A') to provide prepayment discounts of the City's 2018 Realty, Personal Property and Business Taxes in accordance with Recommendation 1 of this Report.

3. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

Subsection 334(3) of *The City of Winnipeg Charter* permits the City to provide for the allowance of discounts when taxes are prepaid, as stated below:

> *334(3) Council may pass by-laws in respect of real and personal property taxes and business taxes*
>
> *(c) providing that, when taxes are paid other than by installments, discounts at rates prescribed in the by-law may be allowed on amounts that are prepaid on account of those taxes by dates specified in the by-law.*

Council annually adopts a by-law establishing a discount rate that will financially benefit the City and, at the same time, provide an investment opportunity for taxpayers.

IMPLICATIONS OF THE RECOMMENDATIONS

If approved, the City offer an annual equivalent discount rate of 0.45% on tax payments made in advance. This recommendation results in a project net income of $2,960.

HISTORY/DISCUSSION

The proposed discount rates are based on information received from the Financial Services Branch of Corporate Finance, which considers 1.10% as the City's short-term investment interest rate for 2018, which is higher than 2017. A discount rate of approximately 0.45% is considered to be fair to both the City and to the taxpayer.

The accelerated cash flow generated by the prepayment of realty, personal property and business taxes increases the City's short-term investment opportunities for the period January to June. The investment income earned from these early payments continues to exceed the tax discount given as well as the cost of administering the program.

The 2017 accelerated cash flow generated by the prepayments of realty, personal property and business taxes was:

2017 Prepayments	$2,054,763
Less: 2017 Actual Discount	2,804
Cost to administer	2,500
	$2,049,458

Using the 2017 actual prepayment information, with the City's 2018 expected short-term investment interest rate of 1.10%, the following represents the interest income that could be expected in 2018 from depositing the tax prepayments:

2018 Projected Investment Income from Prepayments

	Estimated Prepayments (Based on 2017)	# of months invested	2018 Projected Investment Income
January			
Realty and Personal Property Tax	$1,740,529	5	$7,977
Business Tax	10,747	4	82
February			
Realty and Personal Property Tax	303,487	4	1,113
Business Tax			
2018 Projected Gross Income	$2,054,763		$9,172
less: Discounts and administration costs			6,212
2018 Projected Net Income			**$2,960**

Note that the 2018 projected net income is $2,960. As in 2017, this program will be offered as a customer service initiative with full information on the Assessment and Taxation website. There will be one advertisement placed in the Winnipeg Free Press newspaper. Further, the 311 Customer Contact Centre will be prepared to handle phone calls on this program beginning in January 2018.

It is recommended that Council adopt a by-law to provide for prepayment discounts received by the Assessment and Taxation Department during the months of January and February 2018 at the following discount rates:

Realty & Personal Property Tax - payable at par up to June 30th	Face Value Discount Rate	Equivalent Annual Discount Rate
January	0.185%	0.45%
February	0.149%	0.45%
Business Tax – payable at par up to May 31st		
January	0.150%	0.45%
February	0.113%	0.45%

Additional Comments: Using the 2017 actual prepayment information, with the City's 2018 expected short-term investment interest rate of 1.10%, the interest income that could be expected in 2018 from depositing the tax prepayments is approximately $9,172. However, after applying the projected tax discounts and administrative costs, the projected net income is $2,960. Despite the low net income, this program will still proceed as a customer service initiative. Based on past experience, it is expected that 2,000 - 2,500 property owners will take advantage of the 2018 Prepayment Discount program. This program is included in the annual budget submission for the Assessment and Taxation Department.
