(hereinafter referred to as the ``Licensee``) for the purpose of constructing and maintaining an underground conduit, identified as “Encroachment to facilitate MTS conduit” on Misc. Plan 15203 (Schedule B) and overhead canopy affixed to 225 Carlton Avenue, identified as “Encroachment-Canopy”, on misc. plan 15204 (Schedule C) be approved (hereinafter referred to as the ``Lands``).

REASON FOR THE REPORT

The Encroachment By-law No. 692/74, clause 4(1)(d), states:

"Where the encroachment is of an unusual or commercial nature that it be referred to the Designated Officer of the City for the purpose of negotiating a reasonable rental and making recommendation to the Chief Administrative Officer for subsequent referral to Council."

Section 2 of The Encroachment By-law No. 692/74 provides:

""Designated Officer" means the Director of Planning, Property and Development or such other person as may be authorized in writing by the said Director to exercise some or all of the powers vested in him by this By-law".

In this regard, the Planning, Property & Development Department has negotiated Terms and Conditions of an Encroachment Agreement, in favour of TN Square Inc.

IMPLICATIONS OF THE RECOMMENDATIONS

The Department has determined that there are no general policy, regulatory, environmental or human resource implications to entering into an encroachment agreement shown on the attached Miscellaneous Plans No. 15203 and 15204.

HISTORY/DISCUSSION

An application was submitted to the City's Zoning and Permits Branch to construct and maintain an overhead canopy and underground conduit in the Graham Avenue right-of-way.

The application was circulated to applicable City departments and public utilities for consideration and comments. All comments and concerns have been incorporated into the signed Terms and Conditions.

The Risk Management Division of Corporate Finance reviewed the insurance requirements for this proposed encroachment and their comments have been incorporated into the Terms and Conditions.

The Planning, Property and Development Department have negotiated proposed Terms and Conditions of an amendment agreement in favour of TN Square Inc.

This report seeks approval of the Encroachment Agreement as negotiated.
