303. Civic Environmental Committee
Minute 82 - CEC, 2002/08/12

Current Mosquito Control Program and the West Nile Virus Issues
File E-7 (Vol. 1)

Advising that on August 12, 2002, the Civic Environmental Committee recommended that the Executive Policy Committee send a letter to the Province indicating the need to undertake an examination of the above issue in partnership with the Committee.

Moved by Councillor Angus,

That the Chief Administrative Officer be requested to investigate the role of the Province of Manitoba with respect to the issue and the partnership program with the City of Winnipeg and provide the Committee with a status report.
