REASON FOR THE REPORT:

All street and lane closings require the consideration of the Community Committee.

HISTORY:

The public lane adjacent to No. 145 Emerson Avenue was created in 1912 by the subdivision of the adjoining lands. The lane is unpaved and serves no apparent public purpose.

In 1987, the East Kildonan-Transcona Community Committee approved DAC 20/87, an application to close all of the public lane between Emerson and Glenway Avenues. The application was later reduced to the northerly portion of the lane, which was eventually incorporated into the property at No. 214 Glenway, leaving the balance of the lane open.

In April of 2005, the Planning, Property and Development Department received a request from Mr. Geoffrey Natyna, the owner of No. 145 Emerson Avenue, to purchase the balance of the public lane, identified as “Proposed Closing” on Misc. Plan No. 12527. Mr. Natyna is currently

paying an annual fee for the encroachment of his garage into the lane. He intends to build a double garage on the site, should his application to purchase the land be successful.

DISCUSSION:

Administrative Approval

The proposal has been considered by all affected City departments and public utilities. There are no administrative objections to the closing.

Zoning

The west half of the closed lane will assume the "C1" and "C2" zoning of the adjacent properties. The east half of the closed lane will assume the "R1-5.5" zoning of 145 Emerson. Depending on the size and location of the garage Mr. Natyna intends to build, a rezoning application may be required. This matter will be addressed when Mr. Natyna applies for the building permit.

Easements

Manitoba Hydro, MTS Allstream and Shaw Cable will require an easement for the maintenance of their facilities on the west side of the lane. No permanent structures will be allowed in the easement area.

Transfer of Jurisdiction Over Public Rights-of-Way

The lane must be legally closed before it may be sold. Title to all public rights of way in Manitoba is vested in the name of the Province. The registration in the Winnipeg Land Titles Office of a closing by-law removes the public right of way status from the land and vests the ownership of the property in the City's name. The City is not entitled to dispose of the land until this has been done.
