Re: Doors Open Winnipeg 2018 Sponsorship

Dear Christian:

Heritage Winnipeg is proud to present our 15th annual "Doors Open Winnipeg". During the weekend of **May 26th and 27th, 2018,** this FREE and exciting community event cultivates appreciation and pride for our built and cultural heritage. In Winnipeg, Doors Open has attracted over half of a million site visits, enabling visitors from every social and economic demographic to discover our city.

Last year was our most successful event, with 91 building and walking tours and over 31,000 site visits. We also plan to expand on our past achievements by partnering with the arts and cultural sector, allowing for more diversity.

Heritage Winnipeg requests your financial support to make this free community event possible. Our organization contributes hundreds of hours of staff and in-kind support, accompanied by the time and effort of over 500 volunteers. Please see the enclosed 2018 sponsorship guide.

The support from the City of Winnipeg Museums Board has been very important to the success of this highly anticipated and growing free community event. Educating and entertaining Winnipeggers on our city's built and cultural heritage with this unique event is vitally important for our present and our future!

Thank you in advance and I look forward to hearing from you.

Regards,

Cindy Tugwell,
Executive Director
