STANDING POLICY COMMITTEE ON PROTECTION AND COMMUNITY SERVICES

QUESTION PERIOD

Minute No. 537
Councillor Benham inquired if the Chair of the Standing Policy Committee on Protection and Community Services, Councillor Steeves, would agree to a special meeting of the committee to request an update from the administration on the mosquito adulticiding policy and the communications surrounding that policy.

Councillor Steeves noted that the information that had been released regarding this subject outlined the policy and addressed concerns, but agreed to further discuss the request with Councillor Benham.
