RE: Procedure By-law Amendment
Requirement for Council and Committee meetings opening

Please find enclosed a By-law that amends the Procedure By-law No. 50/2007 by requiring that the Presiding Officer at meetings of Council and Council Committees acknowledge that the meeting is taking place on traditional Indigenous and Metis peoples' lands.

This By-law responds to Council's adoption on February 22, 2018 of a Notice of Motion from Executive Policy Committee which directed the City Solicitor/Manager of Legal Services within 60 days to prepare the by-law amendment necessary to achieve this amendment. Accordingly, this amending By-law can be brought to Council's next meeting as a communication.

An electronic copy of the By-law has been provided by my assistant to Jennifer Ridge and Ken McKenzie via email.

If you have any questions, feel free to contact me.
