City Asset Management Plan

The City of Winnipeg 2018 State of the Infrastructure Report and City Asset Management Plan are being submitted as a Communication for the meeting of City Council on March 22, 2018.

These first-ever key strategic Asset Management documents form part of the City's overall approach to asset management and will be posted on the City's internet website. Further, these reports provide comprehensive information regarding the major asset groups that the City of Winnipeg manages in order to deliver services for residents.
