INTER-OFFICE MEMORANDUM

TO:	**Marc Lemoine** City Clerk	**FROM:**	**Harold Dick** Legal Services
FILE:	G.2/2018(21)	**DATE:**	March 14, 2018

RE: Municipal By-law Enforcement Act (MBEA) Enabling By-law Amendments to reduce early payment discount for parking offences

Please find attached a by-law that amends the Municipal By-law Enforcement Act (MBEA) Enabling By-law No. 59/2016 by reducing the discount available for early payment of parking fines.

This By-law is being provided directly to Council for enactment pursuant to Council's adoption on December 12, 2017 of the 2018 Operating and Capital Budget and 2018 Capital Project Detail Budget, being Item No. 1 of the Report of Executive Policy Committee of December 8, 2017. Recommendation S.1 of the Operating Budget Recommendations of that Budget provided as follows:

> *That the Municipal By-law Enforcement Act (MBEA) Enabling Bylaw (No. 59/2016) be amended to reduce the amount of the early payment discount for parking offences from 50% to 25% of the fine, and that the City Solicitor be directed to provide an amending bylaw accomplishing this directly to Council for enactment*

Please note that, although the effective date of April 1, 2018 was not noted in the above recommendation, it is set out at various points in the budget documents that were approved by Council. I have therefore included it in the attached amending by-law.

An electronic copy of the By-law has been provided by my assistant to Jennifer Ridge and Ken McKenzie via email.

If you have any questions concerning this, please feel free to contact the writer.
