REPORTS

Item No. 7 Accessible Parking Permits – Metered Parking

COMMITTEE RECOMMENDATION:

On April 24, 2018, the Access Advisory Committee recommended to the Executive Policy Committee:

1. That the Winnipeg Public Service be directed to implement a policy whereby during winter months, individuals that have an accessible parking permit displayed in their vehicle are not required to move their vehicle out of a metered parking zone when their meter runs out, and may simply add payment for extended time.

2. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.
