REPORT SUMMARY:

Key Issue(s):

The Administrative recommendations contained within this report have been made in accordance with the criteria set forth in the Entertainment Funding By-law No. 7710/2000.

Notwithstanding these recommendations, particularly the recommendation which denies a listing under Schedule "A", the Charter contains provisions which would allow Council to cancel the entertainment funding tax for amusements and/or places of amusements which would otherwise be subject to the tax.

The Standing Committee on Fiscal Issues, on June 22, 2005, recommended that the Sarasvati Dramatic Theatre Productions and Repertory Inc.'s production of "FemFest

2004" previously held on October 21st – 30th, 2004, be laid over until such time that their production "International Women's Week Cabaret of Monologues" comes forward for consideration. This report considers both events.

REASON FOR THE REPORT:

Council must approve all Entertainment Funding By-law exemptions and may consider providing exemptions, or the cancellation of taxes owing, for amusements that would otherwise be denied an exemption.

HISTORY:

The Entertainment Funding By-law No. 7710/2000 was adopted in September 2000, wherein the former Amusement Tax By-law was replaced. A report to the Standing Committee on Fiscal Issues is prepared for each scheduled meeting if an application for exemption is received. The report was first submitted for the meeting of January 16, 2001 and for each meeting thereafter as required.

DISCUSSION:

An amusement or place of amusement may be listed in Schedule "A" where an organization has submitted an application for exemption. Listings are intended to assist locally based charitable and not-for-profit cultural or athletic organizations in producing entertainment and sporting events with admission prices at a level which will encourage a broad audience. Listings are not intended to apply where an amusement is held for fund raising events in which the performers or promoters profit or where the exemption would result in for-profit gains.

The Administration has conducted a thorough review of the applications received for exemption from the Entertainment Funding By-law in accordance with the criteria set forth in Schedules "A" and "B" of By-law No. 7710/2000.

Recommended for Exemption

The following amusement and/or place of amusement is being recommended for exemption listing in Schedule "A":

1. The Asper Foundation's "The Izzy Asper Annual Jazz Performances" to be held at the Berney Theatre, Asper Jewish Community Campus.

Not Recommended for Exemption

The following amusements and/or places of amusement are not recommended for exemption listing in Schedule "A": (Appendix "I" of this Report provides a table further illustrating the eligibility criteria that were not met.)

2. Sarasvati Dramatic Theatre Productions and Repertory Inc. for the events:
    a. The “FemFest 2004” which was previously held on October 21-30, 2004, and
    b. The “International Women’s Week Cabaret of Monologues” previously held on March 11 & 12, 2005.

The Standing Committee on Fiscal Issues, on June 22, 2005, recommended that the Sarasvati Dramatic Theatre Productions and Repertory Inc.’s production of “FemFest 2004” previously held on October 21st – 30th, 2004, be laid over until such time as their production “International Women’s Week Cabaret of Monologues” comes forward for consideration. The application for “International Women’s Week Cabaret of Monologues” has been received and this report considers both events.

It is noted that on June 29, 2005 City Council approved the recommendation from the Standing Committee on Fiscal Issues that Sarasvati Dramatic Theatre Productions and Repertory Inc. receive a general exemption listing in Schedule ‘A’ of the Entertainment Funding By-law.

The events “FemFest 2004” held on October 21st – 30th, 2004 and “International Women’s Week Cabaret of Monologues” held on March 11 & 12, 2005, are both recommended to be denied exemption listing as these events were held prior to Council’s general exemption listing of this organization on June 29, 2005. If this recommendation is supported by Council, this organization will be required to submit the entertainment funding tax for these two events.

It is further noted that both noted events meet the criteria for exemption but are being recommended for denial based on the fact these events were held prior to Council’s general exemption listing of the organization.

FINANCIAL IMPACT STATEMENT - Date: June 30, 2005

The financial impact of approving an application for exemption from the entertainment funding tax is unknown for the listed event. The tax revenue that could be generated from this event cannot be quantified because the event has not yet occurred.
