STANDING POLICY COMMITTEE ON

INFRASTRUCTURE RENEWAL AND PUBLIC WORKS

QUESTION PERIOD

Minute No. 150

Councillor Wyatt asked what assurance the Chair could give to Council that the public service was managing the Waverley Underpass project correctly, to which Councillor Lukes replied that she believed and trusted in the public service but advised that she would ask the public service to bring forward information they have in this regard.

Councillor Browaty inquired if there had been a change in the policy regarding hauling snow from the downtown, to which Councillor Lukes replied that she was aware of such.

Councillor Browaty asked if the Chair would follow up with the Department as to why there was less plowing and hauling of snow this year, to which Councillor Lukes replied in the affirmative.

Councillor Schreyer asked why the Chair did not support the original CUPE 500 report motion regarding snow clearing and cost-saving measures to which Councillor Lukes advised that the committee felt it was important for both parties to discuss the matter, and that the department was open to this and as a result the committee's decision reflected this position.
