RE: **A By-law to correct an error in By-law No. 124/2017**
Our File No. DAC 2/2016

At its meeting of December 13, 2017 Council passed By-Law No. 124/2017.

I have recently determined that the By-law erroneously does not include Plan No. 805.

Accordingly, please find enclosed an amending by-law which corrects this omission. This corrective by-law amendment does not prejudice the rights of any person, so under section 276 of The City of Winnipeg Charter Council may pass the amendment without the usual public hearing and report requirements.

Please place the enclosed by-law before Council at its meeting scheduled for May 24, 2017. My assistant Danielle Rafael has e-mailed an electronic copy of this by-law to Jennifer Ridge.

Thank you.
