RE: Vacant Buildings By-law Amendment
Offence not to pay inspection fee

Please find enclosed a by-law which makes a correction to a table in the Municipal By-law Offences Act (MBEA) Enabling By-law. The table in question sets out the contraventions of the Vacant Buildings By-law that are subject to the Municipal By-law Enforcement Act process. The correction is required because the reference to the offence "Fail to pay Schedule "A" inspection fee" incorrectly identifies that offence as being located in s. 19(5) of the Vacant Buildings By-law when in fact it is located in s. 15(2) of the By-law.

Because this amending by-law merely corrects an error in an existing by-law and does not make a substantive change, in my opinion it can be brought to Council's agenda as a communication.
